

Generations of Canadians have counted on us. **You can, too.**

In 1949, well over a decade before Saskatchewan would introduce the world to Medicare, a determined group of friends and neighbours joined an equally determined group of doctors in one common pursuit: quality, affordable health insurance.

Everyone would contribute a small sum each month to make sure that, in the event of unexpected illness or injury, they and their loved ones would be well taken care of – and so would the bill.

Group Medical Services was born.

Today, GMS endures as a preferred provider of health and travel insurance, covering a vast range of costs government and other private benefit plans do not. And we've been extending our trademark combination of service, choice and value across Canada since 2003 – to enthusiastic and continually growing response.

Much has changed in over 70 years, but here's what never will:
Our commitment to protecting you.
